About the Key's

The original Key's, "Key's on Raymond", was established in 1973 by Barbara Hunn. Little did she know, what started out to be an adventure would turn out to be a lifetime career for her and her children, Carol, Jean, Celine, and Roy. Through the years of hard work and determination, Barbara has molded her business into what she believes a restaurant and good food should be, and with the help of her children, three sons-in-law - Brian, Don and Bill - one daughter-in-law - Amy - and grandchildren, she has been able to carry this unique style of dining into her other restaurants: Key's Robert Street, Key's Lex Cafe, Key's White Bear, Key's Nicollet Mall - now located in the Foshay Tower, Key's University Avenue, Key's Woodbury, Key's Hudson and Key's Forest Lake. We hope you enjoy the food and company at all of our restaurants - you can't get closer to home...
