## About the Key's

The original Key's, "Key's on Raymond", was established in 1973 by Barbara Hunn. Little did she know, what started out to be an adventure would become a lifetime career for her and her children, Carol, Jean, Celine and Roy. Through the years of hard work and determination, Barbara has molded her business into what she believes a restaurant and good food should be. With the help of her children, three sons-in-law - Brian, Don & Bill - one daughter-in-law, Amy - and grandchildren, she has been able to carry this unique style of dining into her other restaurants: Key's Robert Street, Key's Lex Cafe, Key's White Bear, Key's University Avenue, Key's Woodbury, Key's at the Foshay Bar & Grill and Key's Hudson. We hope you enjoy the food and company at all of our restaurants - you can't get closer to home...
