# ABOUT THE KEYS

The original Keys, "Keys on Raymond," was established in 1973 by Barbara Hunn.

Little did she know that what started as an adventure would turn out to be a lifetime career for her and her children; Carol, Jean, Celine, and Roy. Through the years of hard work and determination, Barbara has molded her business into what she believes a restaurant and good food should be.

With the help of her children, three sons-in-law; Brian, Don, and Bill; one daughter-in-law, Amy, and grandchildren, she has been able to carry this unique style of dining into her other restaurants. We hope you enjoy the food and company at our restaurants... you can't get closer to home.
