The Keys Cafe Story

Keys Cafe Family Photo taken at Keys Raymond in 2008

Gf = GLUTEN FRIENDLY

GLUTEN FRIENDLY OPTIONS: We made modifications to fit a gluten friendly diet. Ingredient information was gathered from suppliers to determine to the best of our ability, that the products we use are gluten friendly. We do not have a gluten free grill or toaster, so cross contamination exists.

^^ Can be plant-based

*Consuming raw or undercooked eggs, meats may increase your risk of foodborne illness. We offer both a card and cash price for all goods and services. 18% gratuity may be added for groups of eight or more.

In 1973, the first Keys Café opened for business in St. Paul on Raymond Avenue. Barbara Hunn founded this first adventure, refining and improving her successful formula. Together with her family, the Keys Cafes have expanded to Nine Twin Cities locations. Keys is recognized and awarded both locally and nationally for our fine food. The Keys philosophy is simple: memorable service and absolutely the best food. Breakfast, lunch, dinner, and dessert created from scratch recipes "you grew up with." Please keep in mind that during our busy times, your meal may take a little longer to prepare, but it's being made just for you. Our Family is very proud to be a Twin Cities Institution for over 50 years.

We look forward to continuing this philosophy with our incredibly hard-working dedicated team of employees and our amazingly loyal customers.
